Experience & Timeline

-

2016 - 2017

Bachelor of Interior Design (Residential)

Billy Blue College of Design

Current third year student, graduating in 2017.

Projects include: redesign of various residential spaces, scheduling & documentation, architectural philosophy, spatial planning, program skills (3D, drafting, simulations, presentations, etc), and more.

May 2017

Interior Design Internship (Catmint)

Completed an internship at Catmint Interior Design in Surry Hills. Duties included design of custom joinery, floor plans, 3D visualisation, colour and material work.

2015 - 2016

Design Lead (Full Time)

Tech Startup

Ran a small in-house design department. Work included all digital and print marketing materials, style guide creation and design consulting (including some interior design related work on fit-out of company's new office).

2012 - 2014

Bachelor of Digital Media Design (3D Major)

Billy Blue College of Design

Projects included: 3D modeling & printing, lighting, animation, texturing, VR, UX & UI, coding, interaction & game dev, film production, art & creative direction, branding, layout, typography, work flow/pipeline design.

2012 - 2017

Various Freelance Projects

Minor residential renovation design & drafting, 3D modeling, 3D printed works, short film production, web design/dev, & more.
